How do we make your application stand out?

Individual Advice, Support and Mentoring

You will have access to:

- Personal Tutor and dedicated programme specialist to guide you through the planning of your personal and career development.
- Expert advice on course choice for GCSE and A-level – allowing you to develop your own action plan, make informed subject choices and maximise your success.

Academic Challenges and Competitions

You will have the chance to enter competitions such as the Chemistry, Biology or Physics Olympiads and Maths Challenges, which will help your application to stand out. Bosworth students have previously won awards in essay, photography and national competitions, such as the Kroto Prize.

After School Activities

We offer an extensive range of opportunities to develop your wider skills by becoming a Student Ambassador, a member of the Student Council or participating in LAMDA and the Duke of Edinburgh's Award. The skills developed through After School Activities will increase your chances of being a successful university candidate.

Valuable Work Experience and Voluntary Work

Bosworth supports you to find suitable work experience placements and voluntary work. You will be encouraged to participate in charity events in College to raise money and volunteer in the local community.

Visits and Speakers

You will attend a great variety of presentations, workshops and masterclasses where you will gain a realistic understanding of different university requirements. You will also have a chance to meet and talk to Bosworth's Alumni, who will share their personal experience as Medical school or Oxbridge students as well as thoughts on their course and university.

Skills and Development

Oxford, Cambridge and Medical universities are looking for students who enjoy talking about their subject and being challenged to think 'on the spot'. At Bosworth you will have regular seminars with other students and our dedicated specialists, where you will gain confidence in discussing current issues in your areas of study, identifying and reflecting on your own strengths and areas for development.

“

At Bosworth the aims of each individual student are important and every student receives tailored support. This provision helped me achieve my goal of studying at an Oxbridge University.
